Fire Commissioners Should Represent the People

John Hall, the "secret candidate" who won the Lemon Grove Local Fire District election Tuesday proves a point and points up a weakness in our democratic system of elections.

There were absolutely no public issues in this election so the turnout was small. The incumbent, Skip Heidick, had served the district well for two terms. Robert Vaught, another candidate, was unseated by Parker Shumate, in a previous election in a small turnout of voters.

There is evidence that the firemen themselves sponsored Hall as a candidate, although none will admit to it. Hall's 265 votes to Heidick's 76 and Vaught's 45 shows organization. And among the first issues that will come before the new commissioners is pay raises. Therein lies the weakness of small elections. The commission is supposed to represent the public's interest. Obviously, this can't be done if the commission is responsive only to the firemen. Moreover, Hall's determination to keep the public business a secret cannot be condoned.

If the commission represents only the interests of firemen, a splendidly operating department will have become a self-serving political machine. Thus, one of our most truly democratic processes will have been perverted. Conversely, school trustees here are fighting to keep school districts small and responsive to the citizen.

If school board trustees were elected by teachers, the school district woulud eventually become a closed corporation controlled by the people employed therein. And so it is with a fire district.

Thus the point is made that small districts cannot be trusted to conduct elections if vested interests exert unwarranted influence. The next logical step then woud be to merge the local fire department with that of the City of San Diego's so that firemen can utilize their time for fire safety and allow elections to be conducted without the benefit of the effort of firemen.

Cleanup—in Spite of Government

It is ironic that the County Department of Public Works has decided to enforce a 12-year old ordinance just at the time Lemon Grove people are desperately trying to get their town cleaned up.

Public Works has stationed inspectors at its dumps near Lemon Grove and those persons dumping other than household thrash and garbage are cited. Many business firms are lending trucks for hauling refuse to the dump. The drivers of some of these vehicles are being cited for not having a haul-

He will be installed, together with other executive officers and new directors at a banquet Saturday at El Morocco restaurant at Broadway and Kempf.

Elected vice president under Woods was Charles Buckles, operator of the Dairy Queen and vice president of the Lemon Grove Men's Club.

Merrill Weber, controller for the L.G. Medical Group was re-elected secretary and Mrs. Earl Warren, furniture shop operator was elected treasurer.

The election was held Tuesday at the chamber's regular board meeting following an election of six new directors last week.

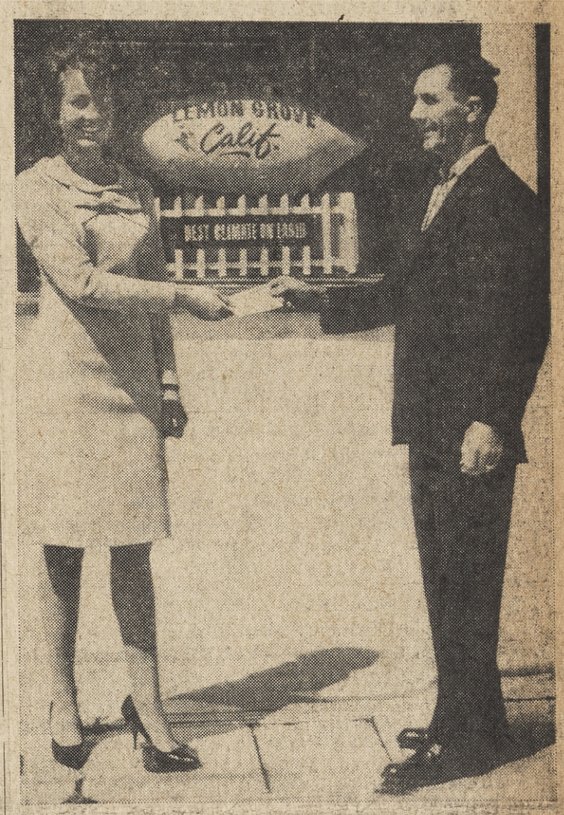

Elected to serve three-year terms in the directors' election were Robert Vaught, Robert Browne, Merrill Weber, Alex Woods, Bob Wilson and Frank Thomas.

The installation banquet Saturday will feature a no-host cocktail affair at 6:30. Dinner will be an hour later. The dinner will consist of prime ribs for $3.75.

L.G. Gets 3 to 1 For Its Road Money

Lemon Grove gets three times more road maintenance from the County Road Department than it pays for, Dave Spear, County Road Commissioner told the Lemon Grove Men's Club Friday.

He said that the county had spent more money here than it received for the six years he has been in charge of the department.

"We are spending 10 per cent of the county's road mileage for which we collect from the community 4 per cent of the budget," he explained.

Spears listed some of the early improvements in Lemon Grove to include the narrow section of Skyline south of Alton, to be widened 50 feet from its present 30; an undetermined improvement on Palm between Troy and Skyline to accomodate school traffic, and a 52-foot frontage road on Sweetwater from Troy to Jamacha. The latter improvement will probably go to bid in March, 1966, Spear said.

The Men's Club meets every Friday at noon for a no-host luncheon. All males are invited.

The program this week will be presented by Harry LaDou, executive director of the War Against Litter Committee. He will show the growing need for surveillance and control of the litter problem.

L.G. Rotary Officers Listed

W. Earl Smart, a Lemon Grove attorney, was elected president of the Lemon Grove Rotary Club last week. The article carried in this newspaper last week associated him with the L. G. Kiwanis club. Other officers elected last week included: Ed Burt, a bank official, vice president; Wiley Cornelius, school principal, secretary; and E. Mouillesseaux, treasurer.

R-3 Zoning Given Lot On Golden

SAN DIEGO (CNA) — The County Board of Supervisors Tuesday granted the request of Lyle E. West for R-3 zoning for a lot on the north side of Golden avenue between Kempf and Washington streets in Lemon Grove.

West, agent for Bernhard Pethely, had requested the change to the multiple family zone from a duplex zone (R-2-A) but the planning commission had included a large adjacent area to the west along Golden. This brought out so many protests that the board held its hearing only on the West property.

FIVE ARE ARRESTED AFTER MOUNTAIN HOME IS LEFT IN SHAMBLES

Hatchet or ax-wielding vandals broke into the mountain home of contractor Paul C. Pullard one-half mile east of Lyons Valley and offroad one-fifth mile while he was away to completely hack it up sometime between March 23-30. Five youths were in custody for the attack.

One youth entered a guilty plea to two counts of malicious mischief in El Cajon Municipal Court and the four others were turned over to Juvenile Court authorities.

James Ray Jones, 20, of Santa Ana, pleaded guilty. He was granted an April 22 probation hearing. His bail was set at $500.

It was said that the reconstruction would be started in a few days.

STATE TAX ADVICE

Need advice on those State income tax returns? If so, you should contact the San Deigo Branch of the Franchise Tax Board either in person or by telephone, Frank C. Heryet, branch manager, said.

State income tax returns, together with the entire amount of tax, must be filed by April 15, Heryet said, and the longer taxpayers wait to file them, the more difficult it will be to obtain assistance.

Broadway in Lemon Grove will take on a different look Saturday morning.

Starting at 8 o'clock and up to a half-hour later the business street will be closed to traffic while merchants and boys and girls wield brooms to give the sidewalks and streets an unaccustomed gleaming look.

Many of the Girl Scouts have already done service in the drive by delivering letters both to homes and to places of business.

Saturday's activity is part of the Chamber of Commerce cleanup drive headed by Bob Mastny, chamber cleanup com-

MATADOR ORATORS WIN EASILY IN STATE COLLEGE COMPETITION

An overwhelming speech team from Mt. Miguel high school last week all but swept away competition to take first place in the San Diego State Speech Qualifying Competition.

Matador orators "talked away" with 12 of the 13 events.

"Several students were triple or double qualifiers, but they are allowed to attend State Finals in only one event," said W. P. Sanders, Mt. Miguel speech coach.

Mount Miguel has had 58 State finalists in its eight-year history, the largest number from San Diego county, Sanders said.

Market Burglar Draws 1-15 Years In State Prison

SAN DIEGO (CNA) — A Mexican national who attempted to burglarize the Food Basket Market on Imperial avenue in Lemon Grove has been sent to state prison for from one to 15 years for second-degree burglary.

He is David Morales Mata, who also uses the last name of Cavallero.

Mata was caught when C. L. Sheehan, a store employee, reported to work on the morning of Feb. 4 and saw a man hanging from a hole in the ceiling. Sheriff's deputies captured Mata in a cul-de-sac in the rear of a pharmacy at 7801 Broadway.

Two warning shots were fired during the chase.

Mata's car was found to contain a number of tools that the deputies said are used in burglaries. He had stolen a rope which he was going to use in the Food Basket theft.

Mata had a 1963 burglary conviction in San Ysidro to which he also pleaded guilty.

GOP Group Opposes Change in LM-SV School District

The Grossmont Republican Assembly passed a resolution on the continuance of the La Mesa-Spring Valley School District under its present local control. A public forum was recently sponsored at Bancroft School by six east county California Republican Assemblies. Incumbents up for re-election and candidates for the LM-SV school board participated in the forum. The election is to be held April 20th.

According to Bert Acosta, Grossmont R.A. president, his group organized and attended the forum as a service to the voters of LM-SV school district. As a result of their attendance and later discussion the membership unanimously approved another resolution urging the people of the district to retain the greatest amount of control over the education of their children, especially at the local and family level.

"THE CROSS"

The cross is the full payment for man's sins. Therefore, you must give all of your own efforts to pay for your sins. Give up all efforts at working your way into God's Kingdom. Jesus Christ paid for your redemption with His blood. If He bought your salvation, you can only receive it as a gift. Deposit your sins at the foot of the cross and accept God's free gift of forgiveness and eternal life.

Fear Unleashes Evil, The 'Trojan Horse,' Says CS Lecturer

Fear is the "Trojan horse" that brings most of the world's evils, said a lecturer here on Sunday, April 4.

The only safety, said William Henry Alton, is in "mental defenses" . . . to meet each fear with spiritual understanding ..."

Mr. Alton is a former oil industry executive who left the business world and is now a recognized teacher and practitioner of Christian Science in New York City. He is currently on tour as a member of the Board of Lecturship of The First Church of Christ, Scientist, in Boston, Mass.

"Life Unafraid" was the title of his lecture here. It was sponsored by First Church of Christ Scientist, La Mesa and presented in the church edifice.

"Fear's victims rarely realize they're afraid," he noted. "Fear operates subtly, and seldom under its own name. People more often think of themselves as 'worried' or 'concerned,' or 'disturbed', os 'anxious,' or 'apprehensive', actually just a few of fear's aliases.

One form it takes is trying to keep up with the Joneses. This is just another name for 'the fear of what others think about us', he indicated, and is not always so harmless in the way it can affect our attitudes and behavior.

Competition in business, he noted, can become a merciless, fearful effect for what is mistakenly called self - preservation."

Intolerance is also "another name for fear," he said, placing it in a list of "collective fears" which included such things as epidemics, business recessions, and war, fear's most destructive disguise."

Letter To The Editor

Dear Editor:

All of us are confused as to what happened at Selma. It's a sad story!

Events there mixed out emotions. One moment we are incensed with the police and the next moment we are distressed because the marchers themselves do something foolish. Not all marchers in Alabama or elsewhere reflect intelligence. Not everyone who falls into a line of march is motivated by virtuous purpose and concern for human welfare. There has been a deliberate disrespect for authority and a willful disrespect of property. Not all the religious leaders who crowded into Selma have wisdom and judgement.

But we must not lose sight of the fundamental issues!

The Civil War is not yet won! It will not be until the war cracks the veneer of people's cloistered prejudices. It takes a long time to open doors long closed to Negroes in our society but the Negro will no longer be treated as a second class citizen.

The demonstrations in Alabama are for the right of every American citizen to register and vote. Selma has become more than a localized battle between Martin King and Gov. Wallace. It is the birth of the coming change.

Street demonstrations are passing away. When I participated in a street demonstration a year ago, it reminded me of the games we used to play when we didn't get our way as children. However, the games are effective on federal decision making.

Demonstrations forced our President to appeal before a special session of Congress for the voting rights of every American.

We are entering a new era of racial understanding. For five years our church (the Lemon Grove Methodist church) has exchanged choirs and pastors with our Negro brethren downtown but often practices it like Lemon Grove does its unspoken, unbroken law of "no rentals to Negroes." If brotherhood touches our pocketbooks or threatens our property "rights," we view ite with apathy and stay with our selfish interests.

There are no easy answers for brotherhood. Yet the day of mass demonstrations is giving way to the legislative processes and court hearings.

God bless those large masses of Negroes and whites who are people of good will and who do not lose sight of the real issues involved.

The Christian church continually moves forward as a force for good and brotherhood. It is my hope that you are proud to be a part of it.

Dr. Jordan E. Detzer
Pastor, L. G. Methodist church
Lemon Grove, California

J. Hall Wins Fire Election

John Hall, a self employed salesman of 1811 El Prado who refused to divulge information concerning himself to this newspaper prior to the Lemon Grove Local Fire District election, won handily in a light turn-out of voters Tuesday.

Informed sources said that Hall was sponsored by members of the fire department.

Services Held For Mrs. Strolz

She is survived by her husband, Shelbym, a daughter and five brothers and a sister.

The April Cooking School theme will be "Springtime Favorites" and we will have lots of new recipes and food know-how to share with you.

At the first Cooking School we will take a "New Look at Spring". Spring Lamb is especially tasty and economical now so we'll prepare an Exotic Leg of Lamb that has an oriental touch. We will demonstrate another recipe, Chicken Breast Saute with New Potatoes (the wine in the sauce makes it deliciously out of the ordinary). We will have many other vegetable, dessert and salad ideas.

Our second meeting will cover "Springtime Specialties". Among these will be Ginger Glaze Baked Ham, Carrot and Celery Casserole, Lobster and Artichoke Casserole and more salads and desserts.

The programs are scheduled for April 13 at 10 a.m. and our second program will be held April 27 at 10 a.m. Both will be held in the Gracious Living Center of SDG&E's Eastern District office, 104 North Johnson Street in El Cajon.

ROSS TILTON SUFFERS BURNS IN MARIPOSA

An early-time Lemon Grove resident, Ross Tilton, 78, was severely burned about the arms and face in Mariposa, Calif. last week.

The report was given by Tilton's son Paul, who operates a welding firm on Central ave., in Lemon Grove.

Ross Tilton, who took over a mine near Mariposa about 16 years ago, was reportedly burned when his cabin caught fire. The fire started from a defective refrigorator in the cabin. He was taken to the John C. Fremont hospital in Marisposa.

Ross came to Lemon Grove in 1916 and opened a saw shop where his son's welding firm is now in operation. He was one of the original 13 members to organize the Lemon Grove Masonic club.

His son said that he expected his father to have been released from the hospital by the week's end.

ing permit. The permit, explains County Public Works, is for "hauling over county roads."

Charles Goode, the assistant director of County Public Works said that the crackdown is "seasonal. We do it from time to time," he said.

Goode explained that the license fee is $10 a year and that you must have a license if you haul other than material from your own home.

The license fee for professional trash haulers is $20 a year. Almost anyone can see the discrepancy in the rate structure.

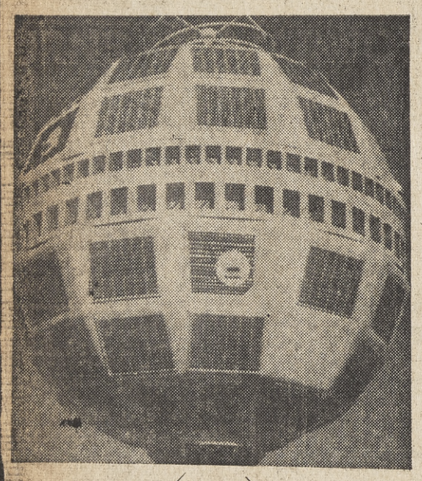

We think the high cost of paying Mr. Good's and other county employes' salaries by way of county taxes is penalty enough for those of us who generate trash. We also think that the high gasoline tax we pay for the upkeep of these roads should give us the use of them to haul refuse to the dump.

Everybody is paying the dump bill. It doesn't make sense to make some pay more than others except those users who are making a living from refuse hauling.

County government could use its manpower for better purposes than harassment of the public, a public which appears more interested in cleaning up the community than county government is.
